Our new site is a great deal easier to find and more accessible than Clanfield Mill. We are on the west side of the A361 two miles to the north of Lechlade on the road to Burford, which is six miles further north. You can Google it by the post code. However be aware that both Google and SatNav will point you to the east side of the A361. Please observe the road markings on the A361 outside our site as turning can be awkward.

We are about 20 miles west of Oxford and 1.5 hours from London by car, or about an hour by train from London (Paddington) to either Oxford or Swindon.
